CAPTURE THE FLAG

 POWERED BY FACEBOOK

#PERUHACK2017

FACEBOOKCTF

The screenshot shows a game interface with a central world map. The interface is divided into several sections:

- LEADERBOARD:** Shows the top player, **OXFEEDFACE**, with a rank of 1 and a score of 200 PTS. A small profile picture of a dog is next to the name.
- ANNOUNCEMENTS:** A text box stating "Flag challenge is open!! The game has started!".
- ACTIVITY:** A list of recent events:
 - [4 secs ago] @xFEEDFACE captured Algeria
 - [3 mins ago] @xFEEDFACE captured Egypt
 - [4 mins ago] @xFEEDFACE captured Finland
 - [13 mins ago] @xSEABEEP captured Finland
 - [14 mins ago] @xSEABEEP captured
- NAVIGATION:** Includes a "POWERED BY FACEBOOK" logo and a filter menu.
- SCOREBOARD:** A progress indicator with three circles and labels "YOU", "OTHER", and "ALL".
- TEAMS:** A menu with icons for a dog, a bone, and a cat.
- FILTER:** A dropdown menu for filtering the map.
- GAME CLOCK:** A dropdown menu for the game clock.

The map shows several countries highlighted in blue, indicating they have been captured. Red and yellow markers are also visible on the map.
